No. 347

Introduced by Assembly Member Chang

February 13, 2015

An act to amend Section 65401 of the Government Code, relating to housing.

LEGISLATIVE COUNSEL'S DIGEST

AB 347, as introduced, Chang. General plan.

The Planning and Zoning Law requires a city, county, or city and county to adopt a comprehensive general plan that addresses a number of elements. If a general plan has been adopted, each county or city officer, department, board, or commission, as specified, is required to submit a list of proposed public works for the ensuing fiscal year. The agency receiving the list of proposed public works is required to prepare, as specified, a coordinated program of proposed public works for the ensuing fiscal year.

This bill would make nonsubstantive changes to these provisions.
